G. Aravamudu Iyengar Esq., B.A., B.L.,
Secretary to the Government of Mysore,
General Department, Bangalore.

Sir,

With reference to your letter No.I.C.5022/121-22-24 dated 9-2-23, I have the honour to state that the marginally noted appointments are already treated as Gazetted. The appointments of the Industrial Engineer (400-30-700), Superintendent, Commercial Intelligence (200-20-300) and the Superintendent of Industries (200-20-400) may be treated as Gazetted, as these officers are the administrative heads of the different sections of the Department, working under the general control of the Director and affording him necessary technical assistance. The Commercial Accountant's place should also be eventually made Gazetted and the designation changed into Accounts-Assistant as being the officer

12 responsible to the Director for the proper upkeep of accounts in all the offices of the Department. For the present, however it may remain non-Gazetted and the Commercial Accountant may work direct under the Director and may not be allowed to be overruled by any of the other Assistants.

As for the other appointments, Superintendent of Industries (150-15-300) and Commercial Assistant (150-10-200), there is another officer (senior) of the same designation as the former and it is not known if the latter is intended to assist the Superintendent, Commercial Intelligence xx or will hold any independent responsible charge. The treatment of these officers as Gazetted has therefore to be decided by Government in consultation with the head of the Department.

I have the honor to be,
Sir,
Your most obedient servant,

Comptroller.
